

## The Rich and Lois Fein Heart of the Team Award

**Rich and Lois Fein** were swim team parents who were involved in all aspects of the team. Prior to serving as Team Reps, they had served as Assistant Team Reps, historians, photographers, newsletter editors (before email and websites!), and deck officials. Before retiring to Florida, they started the Heart of the Team Award to be presented annually to a long-time member of the team who contributes solidly to the team though perhaps not as a high scorer, who always steps up to do what the team and the coaches ask.

Previous recipients are:
